- ✓ Be advised additional fees may be applied, throughout the project for i.e., Addendums, Deferred Submittals, failed or additional inspections.

SIGN APPLICATION

SUBMITTALS REQUIRED:

- ☐ **Detailed letter** by applicant explaining the sign application.
- ☐ **Scaled site plan** showing all structures and the items noted below:
1. Number each sign (both existing and proposed) and note the exact location on the site plan.
 2. Provide the dimension from each sign to front property line and the closest side property line.
 3. Before a permit can be issued a complete plot plan must be submitted showing the location of the proposed sign, nearby utilities, rights of way, adjacent buildings, etc. Included with the plot plan must be a certification from a Pennsylvania Registered Design Professional that the sign meets the requirements of the International Building Code including a statement that the sign will be constructed to withstand the design wind speed for the area it is to be located.
- ☐ Scaled and dimensioned **sign elevations** of any proposed signs.
Provide structural drawings showing foundation detail, construction detail, and attachments. Drawings must be detailed enough to determine construction materials and methods. The design must show that the sign will comply with all design requirements of the International Building Code. Most designs are required by the Pennsylvania uniform Construction Code {under 403.42a(c)} to be prepared by a registered design professional (Architect or Engineer).
- ☐ Scaled and dimensioned **building elevations** of any walls where signs will be placed.
- ☐ Pennsylvania One Call System, Inc. Registration - Call Ten Days for design, Three Working Days Before You Dig - 1-800-242-1776 - It's the Law!

DIRECTIONS TO THE SITE LOCATION

Please give directions to the work site from a known landmark and/or intersection. Use a directional drawing also in the space provided below if that would assist.

Applicant: _____ Phone: _____

Site Street Address: _____

Directions: _____

Use this space if needed to further clarify the site location:

Please Note: Inspectors cannot inspect what they cannot find, Be certain the directions are clear. Use Road or Street names, distances between turn offs, and the direction of that travel (North South East or West). Landmarks are very helpful.

When applying for a building permit you need the following:

- Fill out the appropriate application answering all question applicable to your job. Application must be legible and signed. (2 copies)
- A Site Plan showing the location of the existing improvements/structures on your property and approx. distances to all property lines, well, septic system, driveway, etc. Also show the location of the proposed construction. (2 copies)
- Drawings showing details of the construction you want to do. (2 copies)
- If you are doing the work please fill out the Workers Comp Cert of Liability OR if you will be contracting out the work PMCA needs a copy of the contractor's certificate of liability insurance.
- A copy of the signed Land Use Permit from the Municipality (Borough or Township)

After Building Permit Application is submitted:

- After submitting all required documents your application will be reviewed.
- PMCA will contact you with an approval or denial.
- If approved, your permit will be issued and the inspection & administrative fees are due when you pick up the permit. You will also obtain a copy of your original application and stamped set of plans.

After the Building Permit is issued:

- The Building Permit placard and municipal placard are to be visible on site at all times during the construction process.
- To schedule and inspection call the office where your permit was submitted to schedule an inspection. Be prepared to have your Permit Number, address and type of inspection you are requesting. If you call on a work day and provide all the needed information prior to 3:00 p.m. every effort is made to schedule the inspection for the following work day.
- The copy of your application and approved plans are to remain on site when the building inspectors come for inspections. Be advised: we cannot inspect if these are not on site and you may incur additional costs due to extra trip(s) by the inspector.
